

# Exhibitor Agreement

1. Only one company/organization may be represented per exhibit space. There is no limit to the number of spaces you may purchase.
2. Only two exhibit representatives may staff an exhibit at any given time. All exhibit personnel must be properly registered and must not promote their product, service or organization outside of their assigned exhibit space.
3. All exhibits must be contained within the exhibit space and tabletop exhibits are strongly preferred. All displays must be designed so that they will not obstruct the clear view of nearby exhibitors. Exhibitors may not conduct any demonstration or activity which results in obstruction of aisles or prevents ready access to neighboring exhibitors. Noise projecting beyond exhibit area is prohibited. Absolutely no company identification may be placed outside your specific area (i.e., on posts, pillars, walls, tables, ceilings, etc.).
4. No hazardous material may be stored or displayed in the exhibit area.
5. All electrically wired exhibit displays must be UL-approved and meet local fire department regulations. All materials used in exhibit construction must be fire retardant.
6. Overstatement in lighting is to be avoided, and attention-getting devices such as flashing, strobe or rotating lights are prohibited.
7. Music and/or entertainment must be restricted to the regular exhibit area and must not interfere with nearby exhibitors. Exhibitors are responsible for ASCAP/BMI licensing.
8. Management reserves the right to prohibit and/or evict exhibitors whose presentation is in any manner deemed by management as offensive. In the event of such prohibition or eviction, management shall not be liable to exhibitor for refund of exhibit fees.
9. Any exhibitor failing to occupy space contracted for is not relieved of the obligation for payment of the full rental of such space. Set up of all displays must take place between 10:00 am - 3:00 pm, Thursday, September 10, 2009. Exhibits not to be dismantled prior to Saturday, September 12th after the morning break.
10. WOHC/WOEMA shall not be held liable for damage to or loss of exhibit or property of exhibitor or injury to an exhibitor resulting from any cause. Claims for loss, damage or injury are waived by an exhibitor.
11. The exhibitor shall indemnify the association show management. WOHC's liability for injury to persons or loss or damage to property shall be limited to such as may be caused by its gross, sole, or contributory negligence.
12. Exhibitors must carry insurance. Coverage provisions recommended are premises, operations, contractual liability (personal injury liability and property damage), and statutory workers' compensation for employers' liability.
13. If any space is not occupied at the opening of the conference, the space is forfeited without refund. There will be a 50% administrative fee for cancellations before July 31, 2009 and no refunds after that date.
